This came up on my Google news tonight, in the Los Angeles section: <http://m.ocregister.com/articles/sign-698002-hollywood-down.html>

Sorry for the New Year's Eve bummer... But more reason to close the entrance permanently.

It's only going to get worse.

Dear Sarah and Captain Zarcone,

I appreciate your response in sending Officer Hanna and Officer Ho to my home. I thought they both are very fine representatives of LAPD, and I hope they will be in our neighborhood for as long as needed. I want to share with the other residents on this thread that they told me they had written a lot of citations today and earlier in the day had even made an arrest. We need several dozen like them here in the neighborhood. Thank you again.

Subject: Re: Christmas in Hollywoodland: IMPORTANT UPDATE

**I WAS JUST THREATENED AND I WANT THIS MATTER LOOKED INTO!**

There were several cars picnicking and tailgating in the street with people in the street across from my house. I was filming the activity. They told me to stop. I did not. They then pointed to my address and said "we know where you live." There were further verbal exchanges. Later when I photographed their license plate they became aggressive again. I saw a DOT vehicle and stopped him. He said there was nothing he could do and told me to call 911. I called the ranger station instead thinking that that would be faster. They said they would send someone. They never came. While I was outside waiting Joe Salices happened to drive by, and we spoke about it and other park issues.

No one should have to live under these conditions. This is my home and I shouldn't have to be enforcing traffic, fire, smoking, and other City regulations. Shame on you! There is no buffer between the park and residential property, and there is no buffer between residents and visitors. This is a ticking time bomb. This entire situation is inappropriate and dangerous. It's like every day you say to us you're not allowed to lock your houses, doors, windows. You're not allowed any safeguards. You must live with the anxiety, and every day and night when you get through and you haven't been robbed or beat up, the City considers it a success. The City just keeps spinning the chamber of that gun playing Russian Roulette thinking all of this is acceptable.

It is not! Let me make this clear. The visitors are not the problem. The City is. Councilman Ryu you have the power to shut all of this down. We are pleading with you to do it before the explosion—not afterwards.
